Site Overview

Our sales operations focus on expanding customer reach and strengthening market presence across Bangalore through direct field engagement and relationship building.

Position Overview

The Sales Executive is responsible for generating leads, visiting customers, and closing sales through direct field activities. This role suits freshers or early-career professionals who are motivated, target-driven, and willing to work in a field sales environment.

Key Responsibilities

Field Sales & Client Visits:

- Visit potential and existing customers across Bangalore.
- Present company products/services and generate enquiries.

Sales Execution & Reporting:

- Achieve assigned sales targets and follow up on leads.
 - Maintain daily visit reports and customer records.
 - Coordinate with internal teams for order processing.
-

Required Qualifications

- Graduate / Diploma holder in any discipline.
 - Fresher to 2 years of experience in field sales.
 - Good communication and negotiation skills.
 - Willingness to travel daily within Bangalore.
 - Two-wheeler with valid license (preferred).
-
